(INCLUDING SEARCH STRATEGY)**

	DATE	EXMR
Appeals Conference with Amy Nelson and John LeGuyader. It was decided that the prior art rejection should be dropped, because the prior art did not disclose the method steps.	2/12/2004	JLE
It was also determined that Applicant's method was not fully enabled since the method did not recite the use of a detergent.	2/12/2004	JLE
Additionally, after updating the search of the claims, an issued Patent was discovered that raised issues of Double Patenting over the pending Claims.	2/12/2004	JLE
USPAT, EPO, JPO, Derwent, USPG-Pub updated	2-21-04	JLE
